

PRODUŽENI BORAVAK

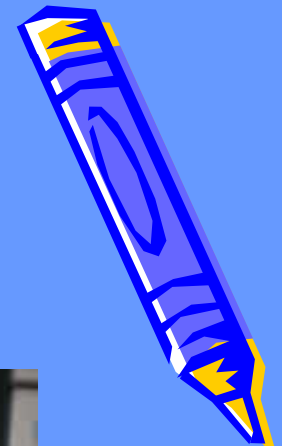

TO SMO MI!!

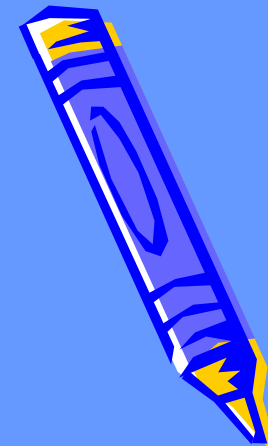

Pogledajmo zajedno naše  
svakodnevne avanture...

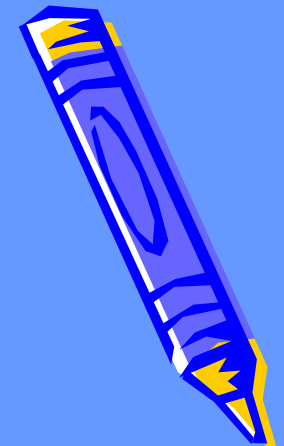

Vrlo smo vesela i marljiva ekipa koja svoja popodneva rado provodi u školi u različitim aktivnostima...

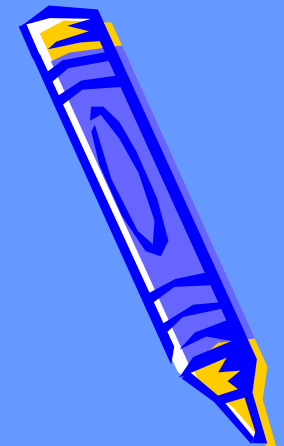

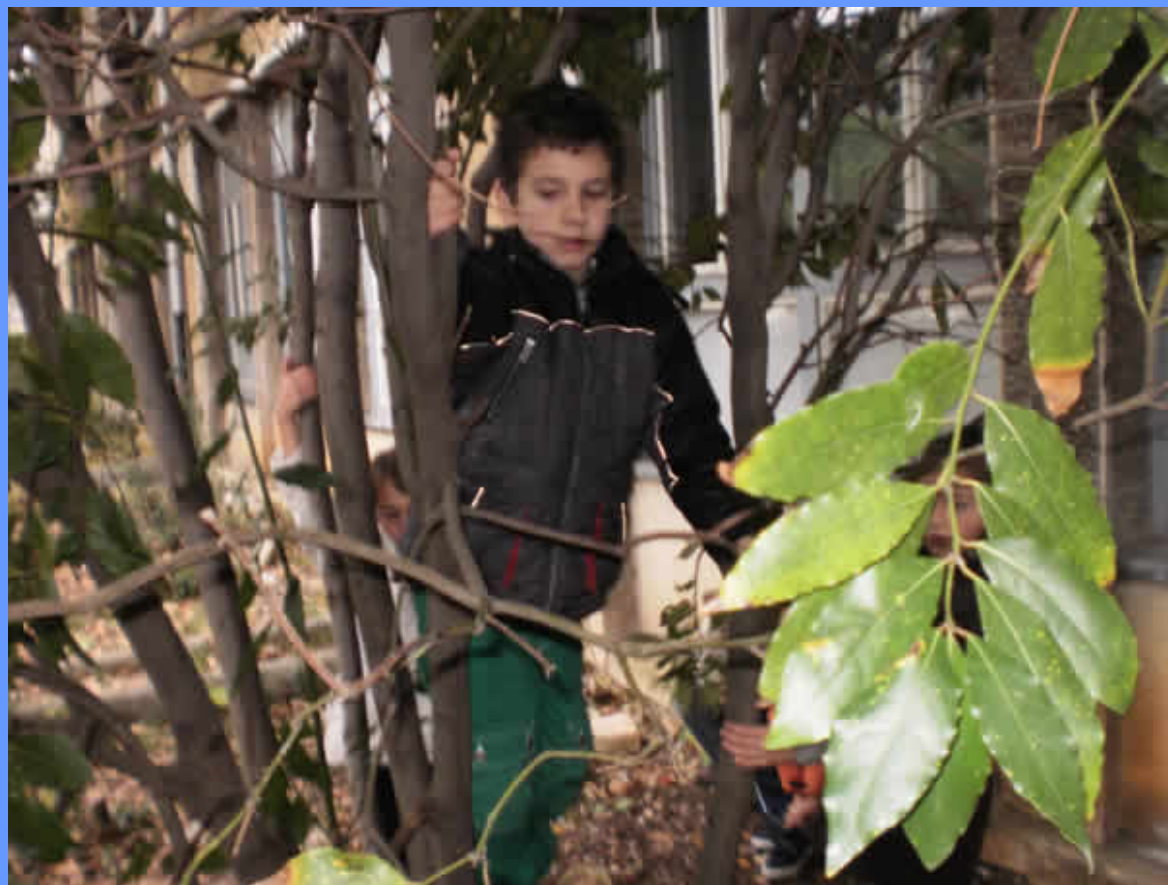

Najprije se malo odmorimo od  
nastave i poigramo...

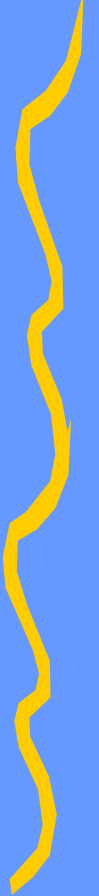

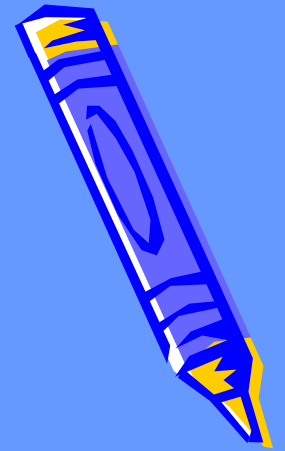

... u školskoj dvorani...

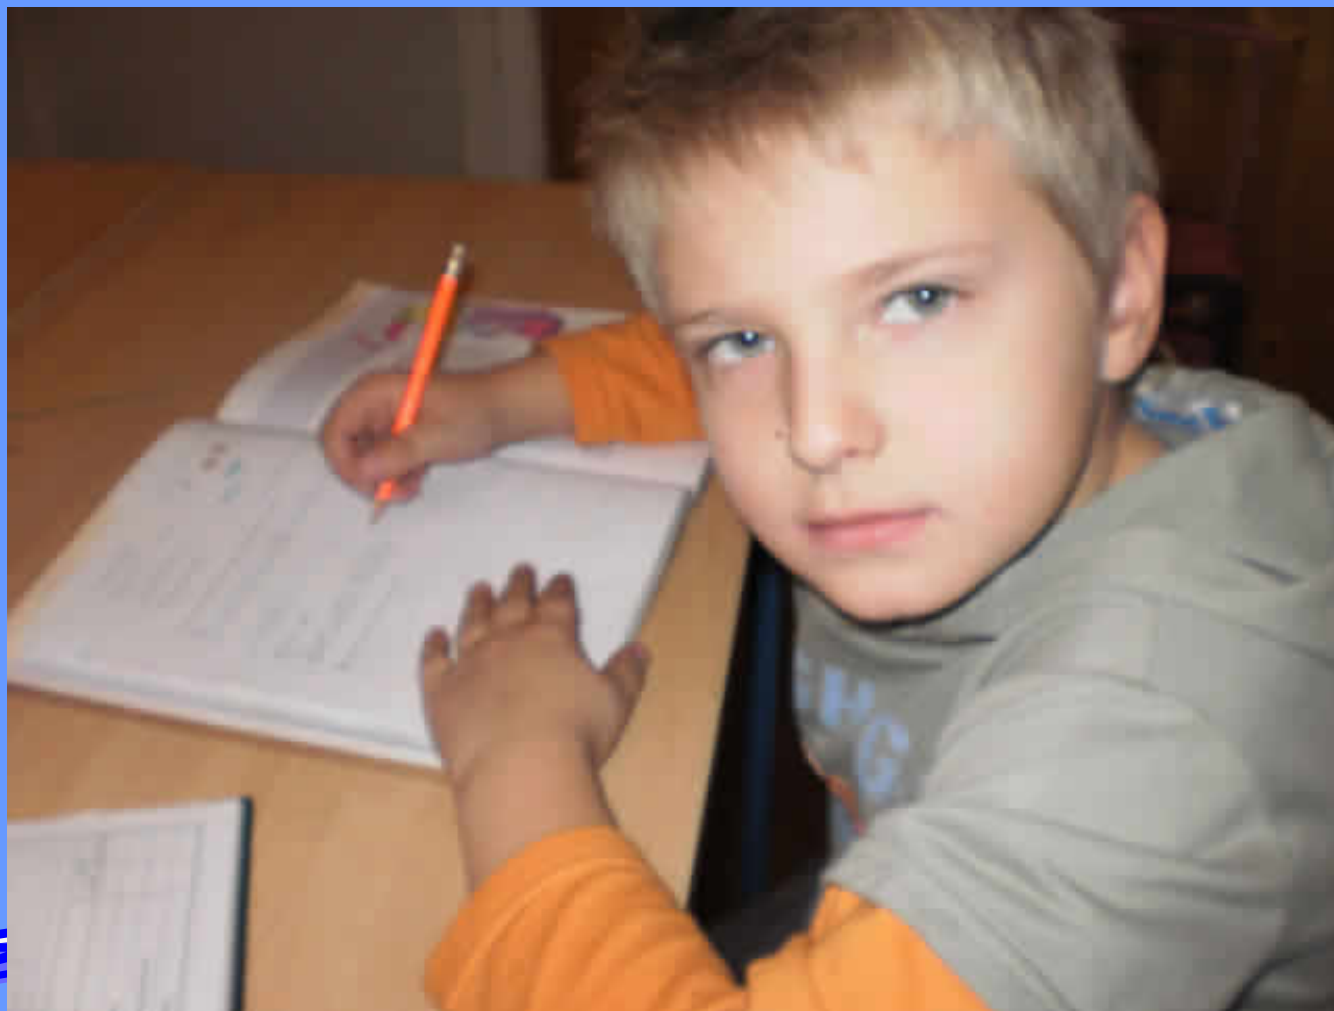

... i u dvorištu.

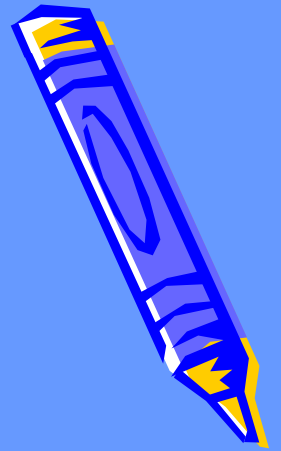

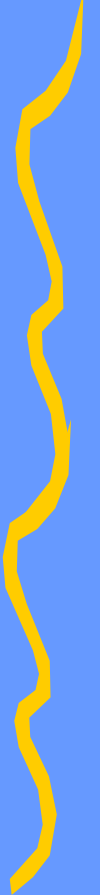

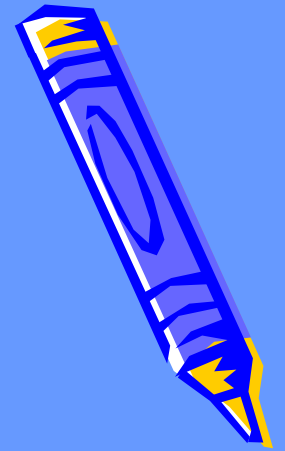

Poslije ručka marljivo pišemo  
zadaću i učimo.

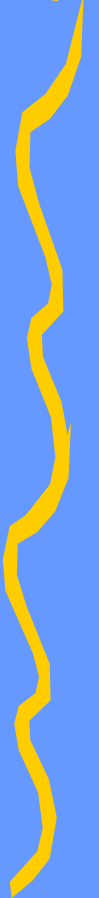

Među nama ima već i velikih  
informatičkih stručnjaka...

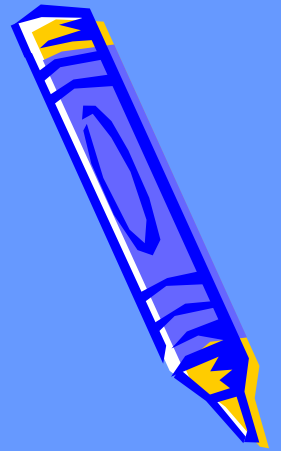

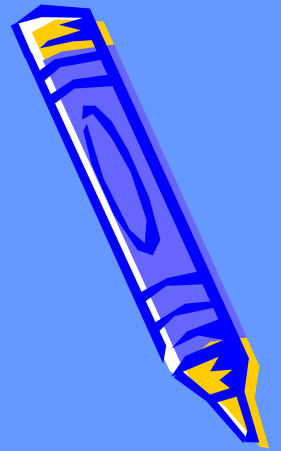

hmmm...barem u igricama.

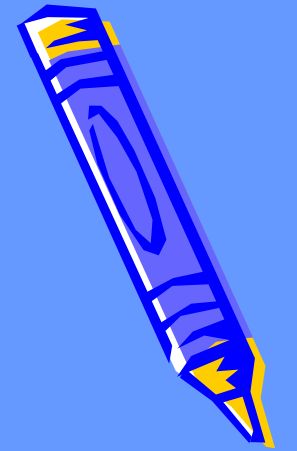

Jako smo kreativni i volimo  
uređivati školu.

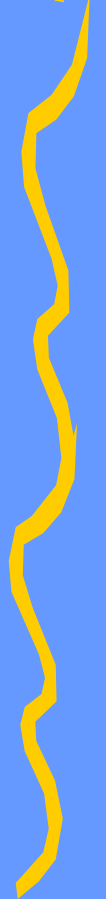

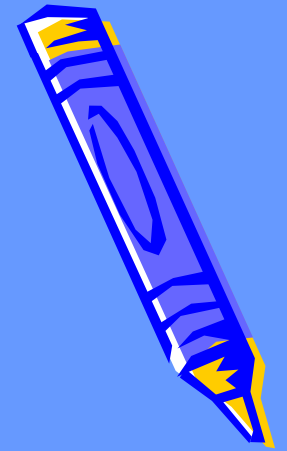

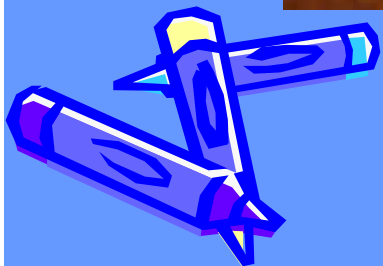

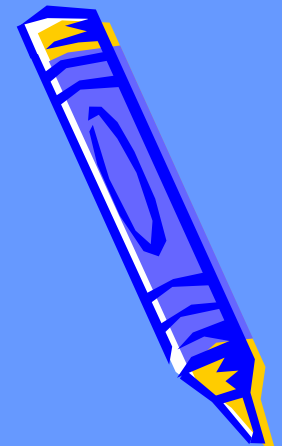

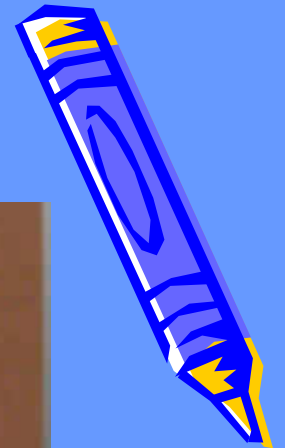

Ovo je naša gospođa Lavanda...

... jesensko stablo...

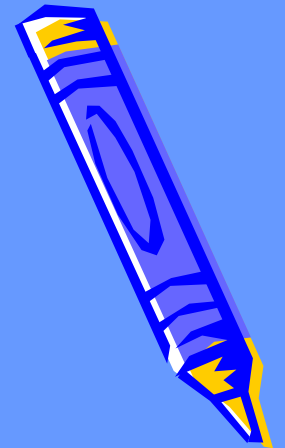

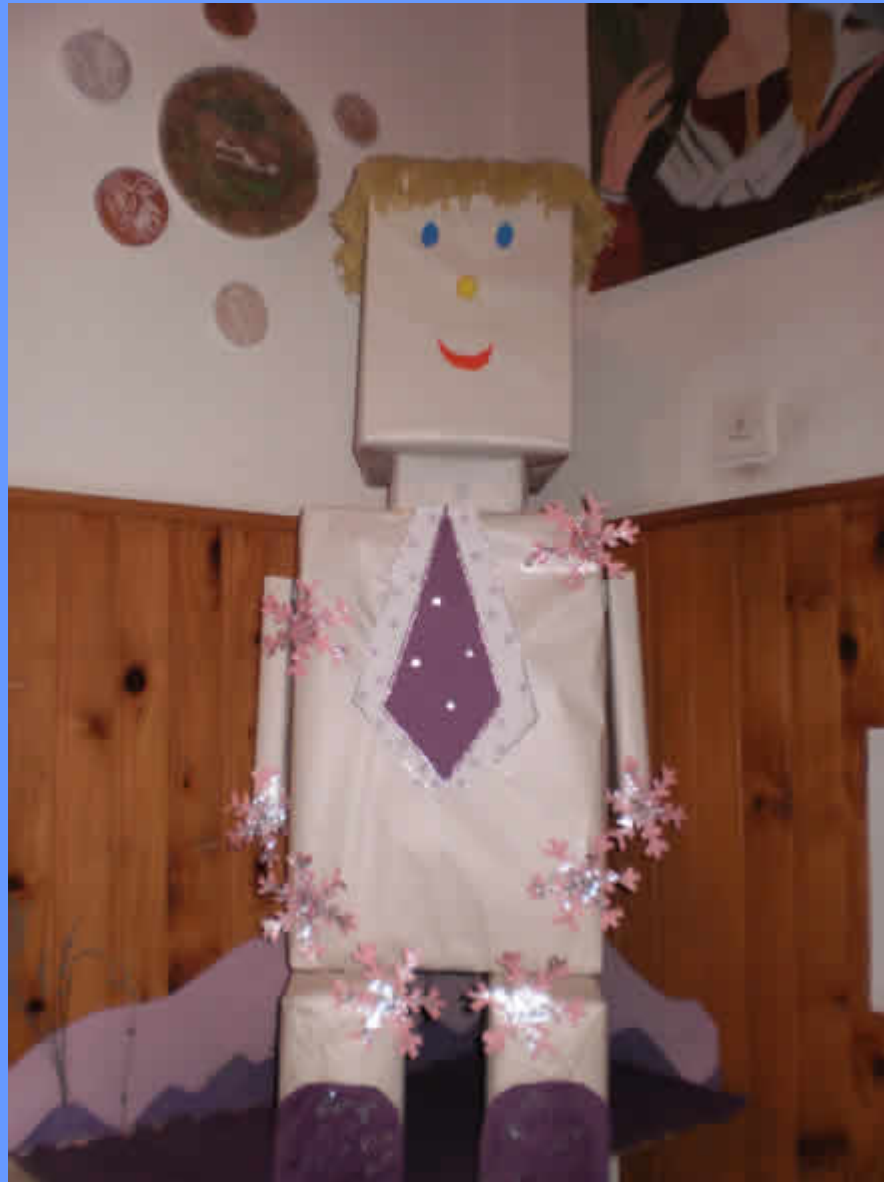

# Sveti Nikola...

# Čizmice...

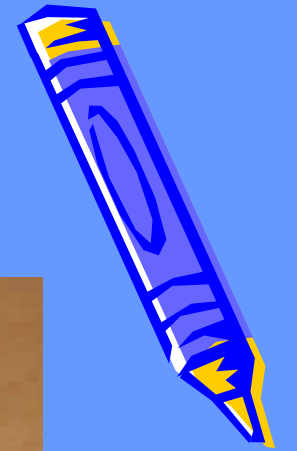

# Snježni dječak

... a u kolekciji imamo još mnogo radova...

U društvu naše učiteljice Dragane učimo  
mnoge korisne stvari...

I najvažnije od svega...

...gradimo iskrena i trajna  
prijateljstva.

Lijepo pozdrave  
šaljemo vam  
djeca i učiteljica  
produženog  
boravka!!!
